

# Caleb Andrew Cajudo

29 Lamerton Close, Bordon Hampshire GU35 0HZ

Phone: 07766 864667

E-mail: caleb.a.cajudo@gmail.com

I am student studying a Game Design Course at Bournemouth University, to be able to create games for people to play and enjoy the excitement of playing games. Learning the skills during my education to find jobs and help design games. I have worked in a retail shop before and somewhat know the layout of how to work within that environment, since it was not like the higher end shops it was less busy than shops such as Tesco etc.

## **EDUCATION**
